Assembly Instructions

Item#: Y97030

**** WARNING ****

Read these instructions carefully until the following assembly process is strictly completed.

Notes:

- Choose an appropriate location for the birdbath.
- Excessive weight or pressure on any of the birdbath sections may cause it to fall. Keep pets, children, or anyone from sitting, leaning, or climbing on any of the birdbath components.
- If necessary, clean the birdbath with a soft cloth. regularly clean the birdbath with soap and water, do not use any abrasive, which may damage the applied finish.
- Keep this manual for future reference.

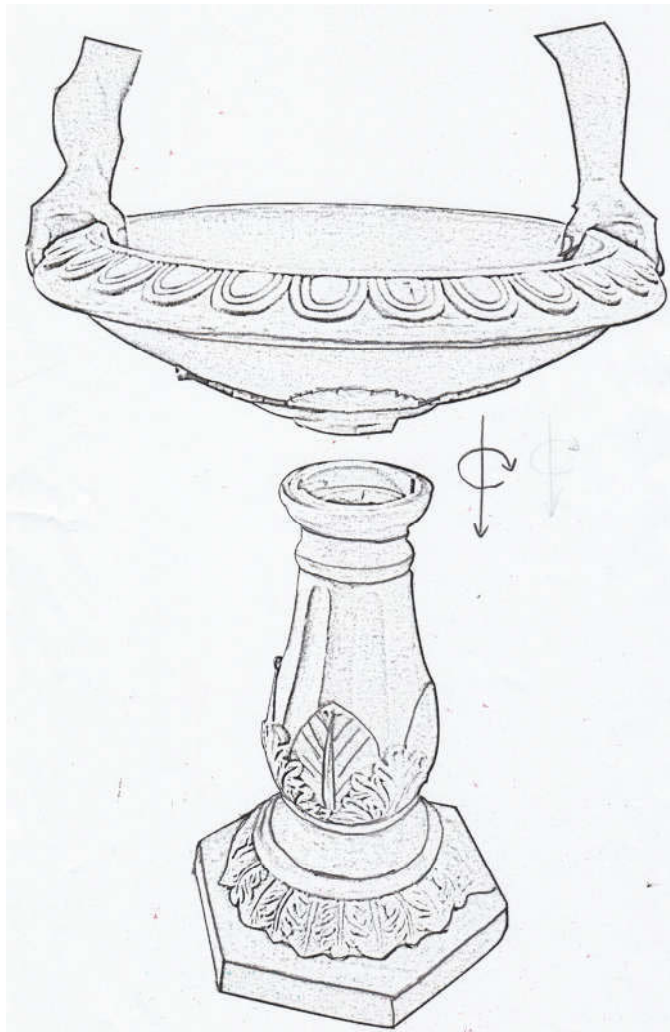

use of water clarifier, or algacide of any kind will damage the paint on the birdbath and will not be covered under the manufactures warranty.

Installation & Assembly

- Place the birdbath on a level surface, away from areas where it is likely to get clogged with leaves
- Take out all the packaged parts from the carton
- Follow steps to assemble as illustrated below

Step 1: Place the base pedestal and the large basin on a level surface

Step 2: align the large basin with base pedestal, insert the large basin and twist clockwise to lock in place securely.
