**Your furniture purchase is an investment. Here are a few tips to maximize the lifetime of your furniture with a minimum amount of effort. Properly caring for your furniture can help ensure that it looks great year after year.**

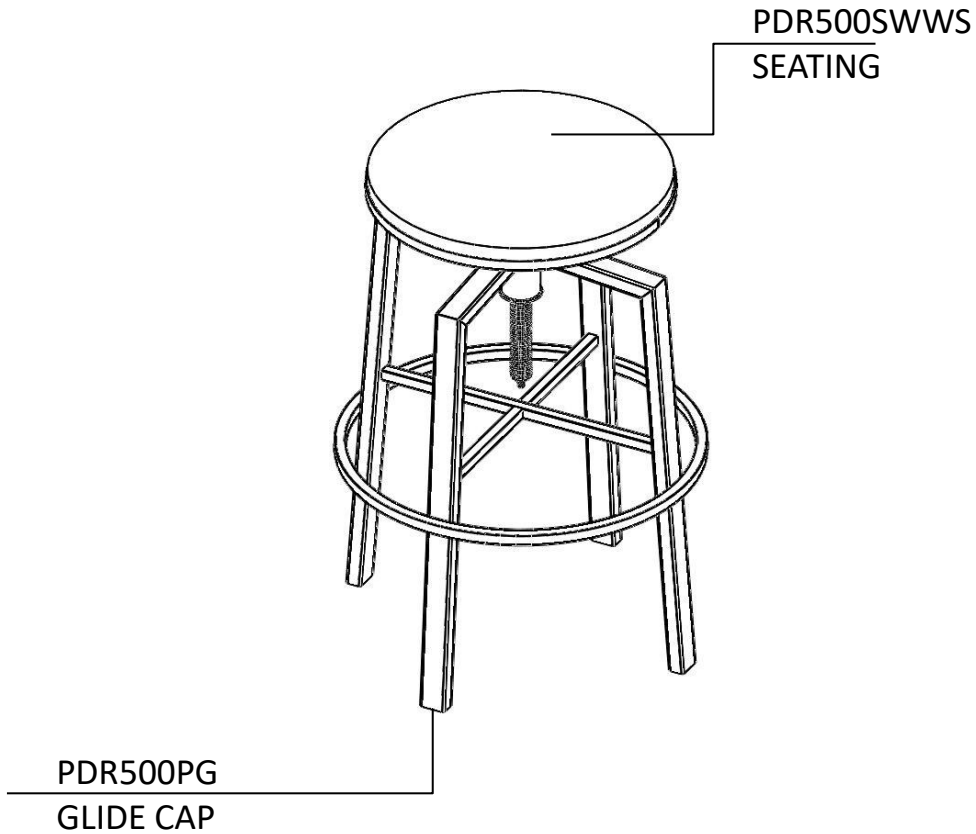

To keep your barstool looking great, be sure to wipe all spills immediately. A clean, dry, soft cloth will effectively remove dust.

Avoid cleaning the wood seating with water, however sticky spots may need to be treated with soap and water; dip the cloth in mild soap, wring the cloth nearly dry, and wipe the area. Rinse, and immediately dry with a clean, soft cloth.

Never use all-purpose cleaning sprays. Please use a damp cloth to clean the metal frame of your stool.
