## GENERAL BEST PRACTICES FOR ASSEMBLY:

Read all instructions before starting

Clear a flat covered space to begin assembly

Pay attention to orientation

Helpful hints provided along the way

## WARNINGS:

### **Ensure you read and fully understand instructions before use.**

While every attempt is made to ensure the highest degree of protection in all equipment, we cannot guarantee freedom from injury. The user assumes all risk of injury due to use. All merchandise is sold on this condition, which no representative of the company can waive or change.

This product is intended for outdoor use only. It is strongly recommended to store the product during heavy weather conditions of strong wind or rain as both can cause damage of product.

Some parts may contain sharp edges. When assembling and using this product, basic safety precautions should always be followed to reduce the risk of personal injury and damage to the product. Please read all instructions before assembly and use.

This product is designed and intended for commercial and recreational usage.

Never set up or continue to use in any rain, wind or storm conditions, especially lightning storms. Damage can occur to your product and put you and others in potential danger.

We suggest that you take your time in order to avoid bending the frame or pinching your fingers or hands while opening and closing the frame.

Select ideal location. Set out all parts on a clear and leveled surface prior to assembly.

Keep your garden bed away from heat and flames at all times.

Never leave your garden bed unattended.

## MAINTENANCE

Never fold or store your product when it is wet or damp. Let it dry completely to avoid mildew.

The frame **MUST** be staked or properly weighted down at all times.

It is recommended that stored in the carry bag or carton after each use.
