
DIY CHOCOLATE GHOST CUPCAKES

**Ingredients:**

- 1 box chocolate cake mix
- 1-16 oz. canister vanilla frosting
- 1 tube of black decorative icing

Directions:

1. Bake the chocolate cupcakes according to instructions on package. (or buy ready-made cupcakes if you're pressed for time!)
2. Add the vanilla frosting on top in a swirling motion (for best results, try using a piping bag)
3. Using a tube of decorative icing, draw eyes and mouth onto the vanilla frosting. (give each ghost it's own personality!)
4. Enjoy!
